Dear Mayor Gregory:

The CALFED Bay-Delta Program is hosting a public meeting on Wednesday, Jan. 13 in Visalia. CALFED will provide area residents with a briefing on the draft proposal for a comprehensive solution to problems in the Bay-Delta system that was released in our Revised Phase II Report Dec. 18. Community members will have an opportunity to ask CALFED staff questions about the program.

Enclosed area meeting announcement flier and press release on the draft program alternative. I encourage you and your constituents to attend this meeting. If you are unable to attend, I would be happy to arrange a briefing for you or provide you with additional written information.

If you have any questions, please call our legislative coordinator, Dan McCarroll, at 916-653-5704.

Sincerely,

Lester A. Snow  
Executive Director
